第２８話 Suicidal Pupa

We are always born out of larvae when a certain period comes.
To be precise, "organisms aren't necessary to leave" or something.
I originally have no concept of "family" from her.
I guess that's why I try to protect it even if I am selfish.
I can't imagine it, but now, if I could have a child...
THIS IS A VERY MYSTERIOUS THING.
EVEN THOUGH SHE GOT HER MEMORIES BACK, SHE STILL YEARNS FOR YOU AS AN "OLDER BROTHER".
a human being.
Almost like

It was too late
to go and meet her.
Perhaps she has already
became a different creature from a pupa.

Isn't it time to get up soon?
I will be absorbed by you if I stay here forever
Well because it was absorbed by Maria I thought that it wasn't long to reconstruct the body.
A~h... Apparently, it's about time for the real expiration.

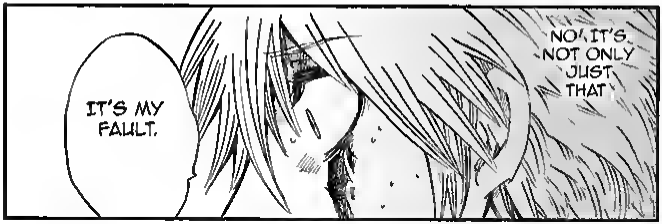
This is a horrible nightmare
The worst nightmare I have ever seen.
IF THIS IS A DREAM,
WAKE ME UP RIGHT NOW!

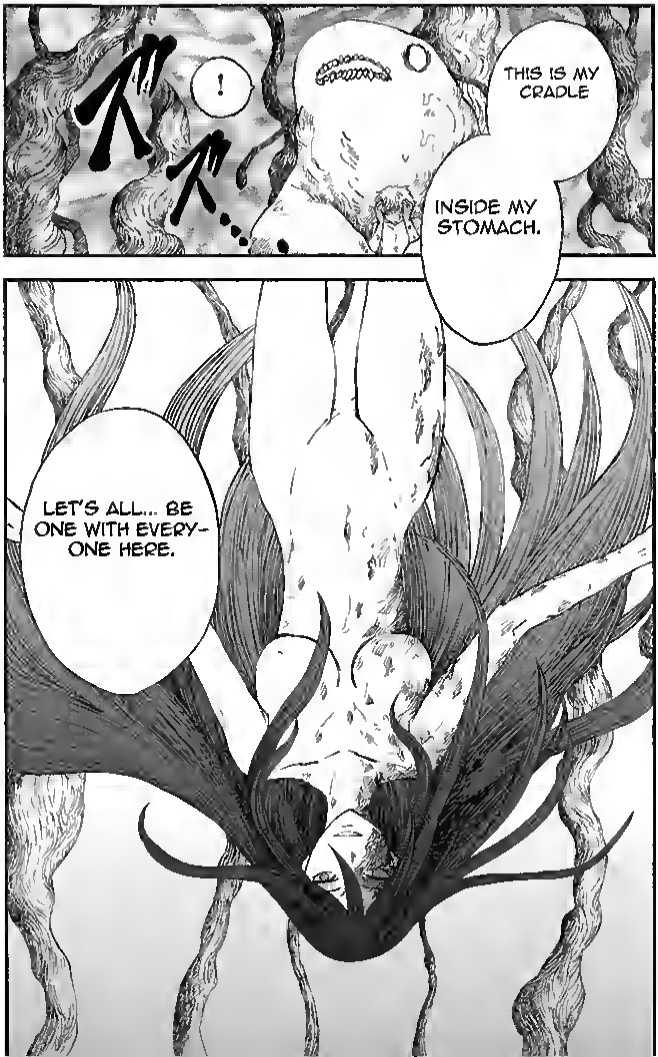
MY, MY.
ARE YOU CRYING?
THE FEELINGS AND SIGNS OF YOUR YOUNGER SISTER DISAPPEAR-ING.
IT WAS VERY INTERESTING. WAS IT NOT?
IT WON'T EVEN MATTER IF A PUPA
WITH AMAZING RESILIENCE IS ABSORBED ENTIRELY
THAT GIRL HAS BECOME ONE WITH ME NOW.

COULD IT BE THE ANTI-PUPA MEDICINE THAT MY FATHER BROUGHT WAS
DID YOUR YOUNGER SISTER POSSIBLY GOT WEAKENED?
BUT I'M GLAD
EVEN THE INDIVIDUALS WHOSE BODIES WERE WEAK WERE HARD TO INCORPORATE
NO
THIS CHILD WAS CAPTURED REALLY EASILY



IT'S MY FAULT.
NO, IT'S NOT ONLY JUST THAT

DON'T WORRY ABOUT IT
YUME GOT WEAKENED SO THEN
BECAUSE I GAVE WOUNDS TO YUME



!
THIS IS MY CRADLE
INSIDE MY STOMACH.
LET'S ALL... BE ONE WITH EVERY-ONE HERE.

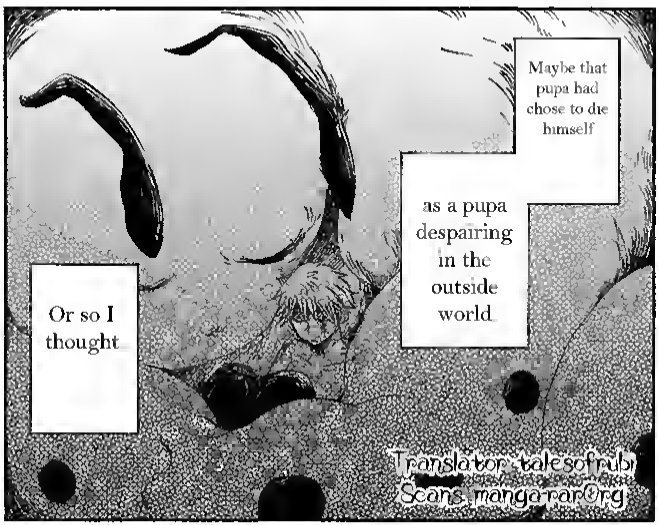
He was dying out with only liquid stuff coming out from his body
All the other pupaes had become butterflies.

HE'S CRYING OR SOMETHING
IT LOOKS LIKE
A CHILD ISN'T THE REASON BY WHICH EVERYONE CAN BE AN ADULT



Maybe that pupa had chose to die himself
as a pupa despairing in the outside world
Or so I thought
